

PREAMBLE

This FDP is proposed keeping in mind the new bees in the research area so as to get exposed to the research field..

Objectives:

1. To create awareness to the budding research scholars regarding how to choose the field of research and how to set the objectives.
2. To help them in defining problem statement.
3. To give glimpse of methodologies available and could be used to carry out the research.
5. To give hands on session on technical paper writing to the world of academia.

About the FDP:

Topics to be covered:

RESEARCH METHODOLOGY

1. Objectives and Characteristics of research.
2. Defining the research problem and selecting the problem.

ABOUT RCE

RAMACHANDRA COLLEGE OF ENGINEERING is a vibrant, forward looking Institution offering a high quality learning experience with a welcoming and friendly environment. RCE aims at establishing academic credibility as an Institution offering dynamic UG Engineering programs, Industry Interface, Research and Consultancy. RCE has a team of highly experienced, well qualified and dedicated faculty members in all disciplines

ABOUT DEPARTMENT OF MANAGEMENT STUDIES

The MBA program at RCE started in the year 2009 with an intake of 60, approved by AICTE, New Delhi & Affiliated to JNTU, Kakinada. It is extended to 180 in 2014. It is designed to cultivate the leadership and decision making skills necessary to tackle the challenges offered by today's global business. The system planned here is to provide an applied business education in a multi-cultural learning environment to all management students.
