### Objectives of the NewGen IEDCs:

- To channelize the knowledge and the energy of youth towards becoming active partners in the economic development process.
- To catalyze and promote development of knowledge-based and innovation-driven enterprises and promote employment opportunities amongst youth specially students.
- To inculcate a culture of innovation driven entrepreneurship.
- To act as an institutional mechanism for providing various services including information on all aspects of enterprise building to budding S&T entrepreneurs.

**Vision:** To setup and sustain an ecosystem for entrepreneurship development in the institution.

**Mission:** To provide necessary support system for aspiring entrepreneurship.

### Objectives of the EDP

In our country we have good number of large and small industrial enterprises. For the successful operation of enterprises, managerial and technical skills are essential. This kind of EDP is used to impart the required skills for industrial entrepreneurs. EDP is intended to strengthen entrepreneurial ability, interest and to develop entrepreneurial skills.

Here are some of the objectives of EDP :

- \* Improvement in the quality of entrepreneurship.
- \* Industrialization of backward areas.
- \* Self employment of educated youth
- \* Improvement in the skills of small scale entrepreneurs.
- \* Development of different type of enterprises.
- \* Formulation of new projects.
- \* Familiarization of the process of starting enterprises.
