## Fresher's Day 2018 Report

<b>Organized by</b>	<b>: CIVIL ENGINEERING</b>
<b>Topic</b>	<b>:Fresher's Day 2018</b>
<b>Venue</b>	<b>: MBA Seminar Hall</b>
<b>Date &amp; Time</b>	<b>: 21<sup>st</sup>July 2018;From: 10:00 AM To: 4:00 PM</b>
<b>Conducted for</b>	<b>: I Year CIVIL ENGINEERING Students</b>

### Report

#### 1. Report in brief by Organizer / Coordinator / Convener:

"Fresher's Party" in any college is an event which every student eagerly awaits from their time of admission. The 21<sup>st</sup> of July 2018 was as a memorable day in the life of every fresher of B.Tech- CIVIL ENGINEERING batch 2018-19 at Ramachandra College of Engineering campus. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness.

The celebration started at sharp 10AM at CIVIL ENGINEERING Seminar Hall with the warm welcome of all the dignitaries and the jury present in the function. This was followed by the welcome song presented by Ms.Manaswi from II CIVIL ENGINEERING, and lamp lightening by the Dignitaries. Followed by this, the welcome speech was given by respected Head of the Department, Mr.B.Satyanarayana and honorable principal Dr.Dola Sanjay S , and the freshers were formally welcomed into the RCE-CIVIL ENGINEERING Family, and other guests of honors were also introduced.

Later on the Fun team lead by Rajasekhar and Anudeep from II CIVIL ENGINEERING took on the stage in their funny way of attracting the audience towards them and adding cherry to the pie. Also, both the anchors went up to the audience and asked them random question which any one would answer. All of them enjoyed a lot.

After this, all the 20participants came up on the stage with their hidden talent and performed one by one. At 1:00PM, delicious lunch has been planned by II CIVIL ENGINEERING students for all I Year and CIVIL ENGINEERING department Faculty.

Again the function started at 2PM, and went on up to 4PM. Finally vote of thanks was given by Ms. Sowjanya from II CIVIL ENGINEERING

#### **Schedule of the Event:**

#### 1. Report in brief by Organizer / Coordinator / Convener:

"Fresher's Party" in any college is an event which every student eagerly awaits from their time of admission. The 5<sup>th</sup> of August 2017 was as a memorable day in the life of every fresher of B.Tech- CIVIL ENGINEERING batch 2017-18 at Ramachandra College of Engineering campus. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness.

The celebration started at sharp 10AM at CIVIL ENGINEERING Seminar Hall with the warm welcome of all the dignitaries and the jury present in the function. This was followed by the welcome song presented by Ms. Susmitha from II CIVIL ENGINEERING, and lamp lightening by the Dignitaries. Followed by this, the welcome speech was given by respected Head of the Department, Mr.B.Satyanarayana and honorable principal Dr.Dola Sanjay S , and the freshers were formally welcomed into the RCE-CIVIL ENGINEERING Family, and other guests of honors were also introduced.

Later on the Fun team lead by Suribabu and Anirudh from II CIVIL ENGINEERING took on the stage in their funny way of attracting the audience towards them and adding cherry to the pie. Also, both the anchors went up to the audience and asked them random question which any one would answer. All of them enjoyed a lot.

After this, all the 15 participants came up on the stage with their hidden talent and performed one by one. At 1:00PM, delicious lunch has been planned by II CIVIL ENGINEERING students for all I Year and CIVIL ENGINEERING department Faculty.

Again the function started at 2PM, and went on up to 4PM. Finally vote of thanks was given by Ms. Varshini from II CIVIL ENGINEERING

### Report

#### 1. Report in brief by Organizer / Coordinator / Convener:

ECE Department organized farewell party on February 28<sup>th</sup> 2018 in ECE Seminar hall where third year ECE students bid farewell to their beloved seniors with great enthusiasm and happiness. The celebration started at sharp 10AM at ECE Seminar Hall with the warm welcome of all the dignitaries present in the function. This was followed by the welcome song presented by Ms. Saraswathi from III ECE, and lamp lightening by the Dignitaries. Followed by this, the welcome speech was given by respected Head of the Department, Dr. S. Jagan Mohan and honorable principal Dr. Dola Sanjay S.

Events started with solo singing performances by some of the best singers of third year. After this all the other participants of this great occasion came up with their unique ramp walk. There were about 17 participants including 10 girls and 7 boys. They introduced themselves one by one in the allotted time which was 5 min per contestant. All of them were impressive in their own way.

Later on the Fun team lead by Mr. Ayappa and Ms. Keerthi from III ECE took on the stage in their funny way of attracting the audience towards them and adding cherry to the pie. Also, both the anchors went up to the audience and asked them random question which any one would answer. All of them enjoyed a lot.

At the end of morning session, some honorariums given to final year students who got placed in different companies and toppers of the classes.

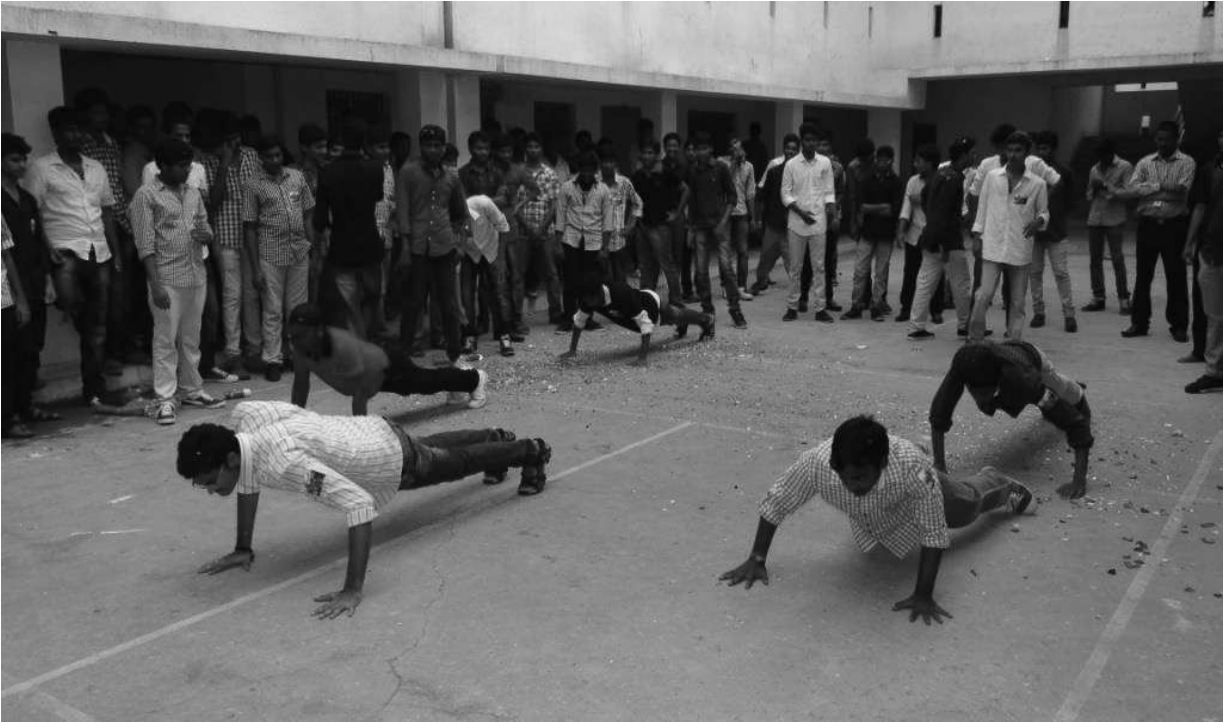

At 1:00PM, delicious lunch has been planned by III ECE students for all IV Year students and ECE department Faculty.

After lunch, the function starts with little bit emotion where the final year students memorized their experiences and memories for their entire B.Tech life in RCE campus. Finally vote of thanks was given by Mr. Chanakya from III ECE to their seniors for attending this party and made it grand success.

#### **Schedule of the Event:**

ASSOCIATION OF COMPUTER SCIENCE FOR TECHNICAL IMPROVEMENT AND VALUABLE EDUCATION

**K. Venu Gopal**  
Secretary & Correspondent

Our correspondent and secretary Sri K. Venugopal, is the guiding and motivating force in the crew of administration. He is a successful professional, entrepreneur and academician. His dynamic leadership, vision, relentless efforts, farsightedness and keen desire to promote professional quality education to the rural students is taking the college ahead in a new direction, with the quest of scaling ever new heights in the academics, placement and research.

The establishment of this college has fulfilled his long cherished dream of starting an engineering college with a difference, imparting quality education and thus giving back to society and contributing to the cause nation building.

The vision of our secretary is to meet the dynamic changes in educational arena with focus on improvised teaching methodology for enhancing efficiency and quality of budding professionals. It is with this idea that RCE was established with the support of experienced, committed and dedicated team of professionals and faculty members and the state-of-the-art infrastructure. His magnificent traits of futuristic planning, organizing, and able monitoring is taking the college ahead in a new direction, all set to make big waves in engineering education.

**Dola Sanjay. S** has around Sixteen years of experience across industry and academia, where he has had the roles of researcher, entrepreneur, consultant and professor. Insightful experience as principal, in-charge principal, Vice principal. His area of research spans across multiple domains and aims to model the decision system of the human mind. He is currently guiding several scholars for their doctoral research in the areas of Electromagnetic, image processing, network security and internet-of-things and teaching undergraduate and postgraduate classes in Digital System Design, Micro wave engineering, Antenna Wave Propagation, Field theory, logic design, Computer Organization, Electromagnetic fields, Electromagnetic wave and Transmission lines, Switching theory and logic design, Microprocessors and DSP-Architecture, Electronic Circuits, VLSI Design, Neural Networks and Fuzzy Logic, Micro-controllers / Embedded Systems and related practice sessions and tutorials.

**Dr. G. Srinivasa Rao**, Professor of Computer Science has been working as Head of the Department. He is awarded with Ph.D degree from Jawaharlal Nehru University, Kakinada, India for his work in the field of Cellular Automata With Data mining in 2016. For the last 16 years, he is involved in teaching various subjects in the field of Computer Science and guiding under graduates and postgraduates in the domain of Computer science. He has rich experience in dealing with different fields of administrative positions. He has a credit of 15 researches publications in National and International Journals of repute. He attended several Seminars, Workshops and Faculty Development programs pertaining to imparting the knowledge regarding human resource.

### Chief Editor comments:

“The main objective of taking up this initiative is to bring the awareness of technologies and software market among students which will be helpful for their future. So kindly we need support from the students”.

G. Vijaydeepak (3<sup>rd</sup> CSE)

## COMPUTER SCIENCE AND ENGINEERING:

The field of computer science and engineering has been pushing the envelope of almost all disciplines which use computing as a fundamental means of inquiry and tool for discovery. Computer science and engineering offers exciting, intellectually challenging and rapidly growing career opportunities. It is the heart of where the action is whether this means intelligent game playing, mobile applications, networks etc,

### SCOPE :

1. The present and future world can't live without technology and the boom in the technology sector will lead to lucrative opportunities.
2. Increasing number of software companies and IT hubs like 'Silicon Valley' indicate an increasing demand for CSE experts.

### Ramachandra's Vision and Mission of CSE:

#### Vision:

To produce creative, competent and critically & logically reflective learners who possess deep knowledge in the field of Computer Science and Engineering by providing high quality technical education and build the intellectual capital of research in students' and faculty community along with commitment, equity, social justice and environmental consciousness.

#### Mission:

To provide a learning ambience with state-of-the art infrastructure, core instruction and well qualified and motivated faculty

To enhance innovations, problem solving skills, lifelong learning, leadership qualities, team-spirit and ethical responsibilities among students.

To provide exposure of cutting edge tools and technologies in the area of Computer Science and Engineering by entering in to collaboration with industry and academia.

### MOTO OF TECHWEEK:

Techweek is a tabloid that is being published to share information among students about latest technologies, software market, applications that are useful and etc. It includes of articles, technical headlines, technical information, technical puzzles and a lot of information related to computer science.

#### Editor comments:

"I request the students to follow the tabloid weekly, so by that you can gain a lot of knowledge and you will be aware of the software market".

S. Anuroop(3<sup>rd</sup> CSE)

## TECHWEEK(Technical Tabloid)

### REPORT

The students of 3<sup>rd</sup> year CSE has initiated to print and release a technical tabloid named "TECHWEEK" which consists of technical headlines, articles, columns, puzzles, art corner and motivational messages. By starting this tabloid we want to share and increase technical knowledge among students. This will be a weekly edition. The editorial board will be formed with two students from each section of all 4 years.

The inaugural event of this tabloid has been held on 30-06-2018 at Room no.A-302 in Block- A. The event has been held on the behalf of U.CHANDRASHEKAR (DRDO SCIENTIST), secretary, principal, department HOD, faculty and students. On the request to department HOD the first week edition has been released by the help of department fund.

#### LAUNCH EVENT ESTIMATION:

20 Sample copies -  $20 \times 20 = 400$

1 bouquet -  $1 \times 100 = 100$

Total - 500

The department has been approved for the first week edition funding. The first week edition is printed under the supervision of ACTIVE CO-ORDINATOR: Mr.P.Sudhakar. The editorial board has decided to provide the tabloid copies to every student and faculty on the first week. So for the printing the department has been much helpful.

#### FIRST WEEK EDITION ESTIMATION:

500 copies -  $500 \times 3 = 1500$

Total - 1500

Grand total - 2000(including launch event and first week edition)

From the second week, the editorial board had decided to collect the printing and issue charges from the interested students.

Hence the editorial board is much thankful to the department HOD and academic co-ordinator:  
Mr.P.CHAKRADHAR.

### Report

#### 1. Report in brief by Organizer / Coordinator / Convener:

EEE Department organized farewell party on March 11<sup>th</sup> 2017 in EEE Seminar hall where third year EEE students bid farewell to their beloved seniors with great enthusiasm and happiness. The celebration started at sharp 10AM at EEE Seminar Hall with the warm welcome of all the dignitaries present in the function. This was followed by the welcome song presented by Ms.Ramya from III EEE, and lamp lightening by the Dignitaries. Followed by this, the welcome speech was given by respected Head of the Department, Dr.S.Jaya Lakshmi and honorable principal Dr.Dola Sanjay S.

Events started with solo singing performances by some of the best singers of third year. After this all the other participants of this great occasion came up with their unique ramp walk. There were about 21 participants including 9 girls and 12 boys. They introduced themselves one by one in the allotted time which was 5 min per contestant. All of them were impressive in their own way.

Later on the Fun team lead by Mr. Naresh and Ms. Sathya from III EEE took on the stage in their funny way of attracting the audience towards them and adding cherry to the pie. Also, both the anchors went up to the audience and asked them random question which any one would answer. All of them enjoyed a lot.

At the end of morning session, some honorariums given to final year students who got placed in different companies and toppers of the classes.

At 1:00PM, delicious lunch has been planned by III EEE students for all IV Year students and EEE department Faculty.

After lunch, the function starts with little bit emotion where the final year students memorized their experiences and memories for their entire B.Tech life in RCE campus. Finally vote of thanks was given by Mr. Jagadeesh from III EEE to their seniors for attending this party and made it grand success.
